DIRECTIVE 2011/65/EU RoHS

DELEGATED DIRECTIVE **(EU) 2015/863** – DELEGATED DIRECTIVE **(EU) 2018/741**

Estimated Customer

RoHS Declaration of Conformity for lead brass articles[1]

The writing company, fully complying with *Directive 2011/65/UE* of the European Parliament and Council dated 08 June 2011 regarding "*Restriction of Use of Hazardous Substances in Electrical and Electronic Equipment*" and subsequent updates and amendments, such as:

- Delegated Directive (EU) 2015/863 dated 31 March 2015 of the European Union Commission, "*containing* the *amendment of the Annex II of Directive 2011/65/EU of the European Parliament and Council as regards the list of substances with restricted use*";
- Delegated Directive (EU) 2018/741 dated 01 March 2018 of the European Union Commission, "*which amends, adapting it to the scientific and technical progress, the Annex III of Directive 2011/65/UE of the European Parliament and Council as regards exemption from use of lead as an alloy element in copper*";

hereby declares

- that all articles produced and sold by Eurotermo Srl, are not to be considered Electrical and/or Electronic devices, because they work without electricity, consequently ROHS Directive cannot be applied;
- that all articles produced and sold by Eurotermo Srl, are made using copper alloy (brass) in which the alloy concentration of the metallic lead substance (Pb) *does not exceed the concentration of 4% in weight* – *thus falling within Application 6c) of Annex III* of Directive 2011/65/EU and subsequent amendments to the Delegated Directive (EU) 2018/741 – i.e. "*Application exempted from the restrictions pursuant to article 4, section 1*";
- that all articles produced and sold by Eurotermo Srl, comply with Delegated Directive (EU) 2015/863, in that none of the substances indicated in Annex II is present as a concentration exceeding the maximum tolerated in weight, in the "*homogeneous materials*":
  - Lead → 4,0%* (* Annex III – 6c) application exempted from the restrictions pursuant to article4/section1)
  - Mercury → 0.1%
  - Cadmium → 0.01%
  - Hexavalent Chromium → 0.1%
  - Poly-Brominated Biphenyls (PBB) → 0.1%
  - Poly-Brominated Diphenyl Ethers (PBDE) → 0.1%
  - DiEthylHexyl Phthalate (DEHP) → 0.1%
  - BenzylButyl Phthalate (BBP) → 0.1%
  - Di-Butyl Phthalate (DBP) → 0.1%
  - Di-IsoButyl Phthalateo (DIBP) → 0.1%

- **that all articles produced and sold by Eurotermo Srl, the latter has no obligation to comply with article 7 "Manufacturer's Obligations" – to prepare and provide safety technical documents alongside the products, in that, in light of the Delegated Directive (EU) 2018/741, the application of the *"6c) copper alloys containing up to 4% of lead in weight"*, it was granted temporary additional 5-years extension at the expiration date of 21 July 2016 (21 July 2021) as regards categories from 1 to 7 and as concern category 10 and another 7-years extention (21 July 2024) as regards category 9 (categories 8 and 9 – medical devices not applicable to Eurotermo Srl products).**

The validity of this declaration will end on 21 July 2021.

We are at your disposal for any further information, we offer

Best Regards

Brescia, 16.03.2020

Yours Faithfully

***Eurotermo Srl* – Legal Representative**

(Mr. *Nicola Saleri*)
